The Honourable David R. Clark, Q.C.
Minister of Justice
Province of New Brunswick

Dear Minister:

I have the honour to submit the Fiftieth Report of the Superintendent of Insurance for the insurance companies' business year 1986 and for the Superintendent's fiscal year ending March 31, 1987.

The severe problems of market availability and escalating cost of liability insurance eased somewhat during 1986-1987. Premium rate escalations while high, have ameliorated compared to early indications of levels required to return profitability to liability insurance. Markets have been available but are difficult to locate for some specialized risks. There is evidence of a heightened awareness of the need for increased attention to risk management. In the long run, these new practices should bring increased professionalism to the management of insurance needs.

The insurance business year 1986 was again, another record for New Brunswick. There was a 21% increase in insurance premiums paid by insureds which totalled almost $662,000,000 by year-end. Payouts in claims and policy dividends also amounted to approximately $319,000,000 which is almost no change from 1985. Other Than Life business overall loss ratios increased from 55% in 1985 to 64% in 1986 and the details are highlighted herein.

The Fire Marshal's Tax, levied on all fire premiums collected by insurers during 1986-1987, exceeded $801,000. The tax rate is 1% of premiums and was collected on behalf of the Department of Labour.

The expenses of the Automobile Insurance Rate Filing section of the Public Utilities Board are collected on behalf of the Department of Transportation but reported as income to the Department of Justice. The expenses collected from insurers, based upon a charge pro-rata the automobile insurance premiums, were $229,739.00.

The Insurance Branch collects its own expenses by way of a pro-rata assessment on the industry based upon premium income and the 1986-1987 amount is $263,984.97.

Premium taxes are collected on the basis of 2% of premium income for life companies and 3% of premiums of other than life companies. The amount received for 1986-1987 was $12,609,422.00.

License revenues totalled $109,055.00.

There were 306 insurance companies licensed during 1986. The mix is as follows:

LICENSED INSURERS	1986-1987	1985-1986
Provincial Mutuals	4	4
Life	112	110
Other Than Life	175*	184
Fraternal (Life)	10	10
Fraternal (Other Than Life)	1	1
Reciprocal	2	2
Miscellaneous	2	2
	306	313

*Reductions due to mergers, liquidations or cessations of business.

The agency and adjusting forces licensed during the year were as follows:

LICENSE TYPE	1986-1987	1985-1986
Life Insurance Agents	1410	1510
Other Than Life Agents	897	878
Brokers	73	76
Accident & Sickness	145	121
Travel	139	76
Special Insurance Brokers	6	3
Damage Appraisers	124	77
Adjusters	292	270
	3086	3011

There were more than 1000 enquiries and complaints received by the Office during 1986-1987. The staff continue to exhibit concerned interest in seeking satisfactory results. The industry continues to be responsive and helpful where a "second look" seems appropriate. In cases where we are unable to resolve the matter, most parties are understanding and willing to recognize there are usually "two sides to an issue".

As a result of installation of our new micro-computer operations system, in our last report we suggested this Report would be available by early Fall. The timeliness and informational value

of this Report's earlier release is materially enhanced. We are most encouraged by our capacity to respond so quickly after 1986-1987 year-end and this is the earliest completion of any Superintendent's Annual Report for any Canadian jurisdiction.

During the year under review, as indicated in our previous Report, there was accelerated attention given to product competition with other financial institutions, the mechanisms for earlier detection of solvency issues and more effective guidelines for enhanced self-regulation. It has become increasingly evident that careful consideration will need to be given to solvency requirements as greater product diversification and competition are allowed.

The Department's interest in an industry No-Fault automobile insurance plan and elimination of discriminatory rating practices has been impacted by Ontario's aggressive stance with the industry. Some of the Ontario issues are the same issues that New Brunswick has been raising for years. It is expected this will add impetus to dealing with our long standing concerns in this area.

The Branch participated with the Provincial Mutuals in a lengthy review of the merits of incorporating a subsidiary company to handle their non-rural business. This was instrumental in assisting the retention of Keystone General as a New Brunswick company through its purchase by three of the Provincial Mutuals. These home-grown companies continue to develop and to make an important contribution to the provision of insurance markets in New Brunswick.

Respectfully submitted,

ROBERT L. SCAMMELL
(Acting) Superintendent of Insurance

le 15 juin 1987

L'honorable David Clark, c.r.
Ministre de la Justice
Province du Nouveau-Brunswick

Monsieur le Ministre,

J'ai l'honneur de vous présenter le cinquantième rapport du surintendant des assurances pour l'exercice 1986 des compagnies d'assurance et pour l'année financière du surintendant se terminant le 31 mars 1987.

Les graves problèmes que posent le manque de possibilités d'assurance et l'escalade des coûts de l'assurance-responsabilité se sont quelque peu atténués au cours de l'année 1986-1987. Ainsi, même si les taux des primes ont beaucoup augmenté, ils n'ont pas atteint les niveaux auxquels on s'attendait au départ pour assurer la rentabilité du secteur de l'assurance-responsabilité. En outre, bien que les possibilités d'assurance existent, elles restent difficiles à trouver pour certains risques spéciaux. On reconnaît par ailleurs à certains signes une conscience accrue de la nécessité d'accorder plus d'attention à la gestion des risques. A long terme, cette nouvelle attitude devrait améliorer la qualité de la gestion des besoins en assurance.

L'exercice 1986 s'est révélé un autre exercice record pour le Nouveau-Brunswick. Les assurés avaient versé 662 000 000 $ en primes d'assurance à la fin de l'exercice, ce qui constitue une augmentation de 21 % par rapport à l'exercice précédent. Les décaissements pour sinistres et participatins se sont chiffrés à environ 319 000 000 $, soit à peu près le même montant qu'en 1985. Enfin, les ratios des sinistres-primes pour les compagnies d'assurance autres que sur la vie sont passés de 35 % en 1985 à 64 % en 1986, ratios qui sont analysés en détail dans le présent rapport.

La taxe du prévôt des incendies, prélevée à même les primes d'assurance-incendie perçues par les assureurs, a excédé 801 000 $ en 1986-1987. Le taux d'imposition correspond à 1 % des primes, et la perception est faite au nom du ministère du Travail.

Les dépenses de la section de tarification de l'assurance-automobile de la Commission des entreprises de service public sont recouvrées pour leur part au nom de ministère des Transports, mais portées au poste des revenus du rapport annuel du ministère de la Justice. Les sommes recouvrées chez les assureurs, proportionnelles aux primes d'assurance-automobile qui leur ont été versées, se sont chiffrées à 229 739 $ en 1986-1987.

La Direction des assurances recouvre elle-même ses dépenses en imposant aux assureurs des cotisations proportionnelles à leurs revenus-primes. En 1986-1987, ces cotisations se sont élevées à 263 984,97 $.

La taxe sur les primes équivaut à 2 % du montant des primes payées aux compagnies d'assurance-vie et à 3 % des primes versées aux autres compagnies d'assurances. En 1986-1987, les sommes recueillies en vertu de cette taxe se sont chiffrées à 12 609 422 $.

Les recettes des licences ont totalisé 109 055 $.

En 1986, 306 compagnies d'assurance ont obtenu une licence :

ASSUREURS AUTORISÉ	1986-1987	1985-1986
Compagnies mutuelles provinciales	4	4
Compagnie d'assurance vie	112	110
Compagnies d'assurance autres que sur la vie	175*	184
Sociétés de secours mutuel (vie)	10	10
Sociétés de secours mutuel (autres que sur la vie)	1	1
Compagnies d'assurance réciproque	2	2
Divers	2	2
	306	313

*Les diminutions sont le fait de fusions, de liquidations ou d'abandons des affaires.

Les professionnels de l'assurance ayant obtenu leur licence cette année se répartissent comme suit :

GENRE DE LICENCE	1986-1987	1985-1986
Assurance-vie	1 410	1 510
Assurance autre que sur la vie	897	878
Courtier	73	76
Assurance-accidents et maladie	145	121
Assurance-voyage	139	76
Courtier spécial d'assurance	6	3
Estimateur de dommages	124	77
Expert en sinistres	292	270
	3 086	3 011

Notre bureau a traité plus de 1 000 plaintes et demandes de renseignements ent 1986 -1987. Le personnel continue de rechercher avec zèle des solutions satisfaisantes aux problèmes posés et l'industrie, de fiare preuve de collaboration lorsque des vérifications nous paraissent nécessaires. Et dans les cas où nous ne trouvons pas de solution, la plupart des parties sont compréhensives et prêtes à reconnaître qu'il y a "deux côtés à une médaille".

Dans notre rapport de 1985, nous avions avancé qu'un micro-ordinateur nous permettrait de présenter le rapport de 1986-1987 dès le début de l'automne. Or, sa parution avant l'échéance annoncée en rehausse l'à-propos et la valeur instructive. En effet, nous avons préparé ce rapport dans des délai jamais égalés encore par aucune juridiction canadienne, en notre célérité nouvelle nous stimule beaucoup.

Tel que nous l'avions aussi indiqué, accroître la compétitivité de nos produits, trouver des mécanismes de détection précoce des cas d'insolvabilité et établir des lignes directrices efficaces visant une meilleure auto-réglementation sont les aspects de notre mandat auxquels nous avons accordé une plus grande attention au cours de l'année 1986-1987. Il est devenu de plus en plus évident que l'on devra sérieusement réévaluer les critères de solvabilité à mesure qu'une diversification des produits et une concurrence plus grandes seront permises.

Le Ministère, partisan de l'établissement d'un régime d'assurance-automobile sans égard à la responsabilité et de l'élimination des pratiques de tarification discriminatoires, a vu son opinion confortée par la province de l'Ontario, qu a pris une position on ne peut plus ferme en regard de l'industrie. Certains des problèmes que cette province soulève sont ceux que nous soulevons depuis des années. Nous prévoyons que appui donné à notre point de vue insufflera l'impulsion nécessaire au règlement des questions qui nous préoccupent depuis longtemps.

En collaboration avec les compagnies mutuelles provinciales, la Direction a minutieusement évalué le pour et le contre de la constitution en société d'une filiale aux fins de traitement des affaires autres que rurales. Cet Examen n'est pas étranger à la décision qu'ont prose trois des mutuelles d'acheter la Keystone General afin de la conserver à des intérêts néo-brunswickois. Ces sociétés, qui ont vu le jour ici, poursuivent leur expansion et contribuent de manière importante à garantir des possibilités d'assurances aux Néo-Brunswickois.

Respectueusement soumis,

Le surintendant des
assurances intérimaire,

Robert L. Scammell

The Superintendent of Insurance

in

New Brunswick

A Brief History

In 1932 the Judicial Committee of the Privy Council of Canada determined that the regulation of the business of insurance was a matter of provincial jurisdiction.

Until that time, the Federal authorities had regulated the insurance business and were reluctant to relinquish their power.

Annually, an Act to Confer Certain Powers upon the Lieutenant-Governor in Council was passed to allow the Provinces regulatory power until the matter was decided.

On April 29, 1937, Chapter 44 An Act Respecting Insurance was enacted and proclaimed in New Brunswick.

The Act established the office of the Superintendent of Insurance. It required the submission of an annual report to the Minister "and such report may at the discretion of the Minister be printed and published forthwith after completion".

The first report submitted by the Superintendent E. B. MacLatchy on February 13, 1939 covered the business transacted in 1937. A report has been published every year since and this year's report covering the business year 1986 is the fiftieth report released by the Superintendent of insurance.

It is interesting to note that New Brunswick began to assess the cost of operation of the Office of Superintendent of Insurance to the industry from the very first year of operation. This is unique amongst all of the Provinces of Canada.

Superintendents and Deputy Superintendents of Insurance for the Province of New Brunswick:

1932 - R. P. Hartley, Q.C., Deputy Attorney General and Superintendent of Insurance.

1935 - J. B. Dickson - Acting Superintendent of Insurance.

1937 - First year of operation under a provincial statute.
E. B. MacLatchy appointed Superintendent of Insurance.
Mary Wilson appointed Deputy Superintendent.

1964 - Leycester D'Arcy appointed Superintendent of Insurance upon retirement of E. B. MacLatchy.

1970 - Scott Harvey appointed Superintendent of Insurance.

1972 - Upon the retirement of Mary Wilson, Paul Kierstead appointed Superintendent of Insurance and Scott Harvey assumed post of Deputy Superintendent.

1980 - Upon retirement of Paul Kierstead, Thomas O. C. Makin appointed Superintendent of Insurance.

1981 - Upon resignation of Scott Harvey, George Poirier appointed Deputy Superintendent.

1986 - Upon retirement of T. O. C. Makin, Robert L. Scammell appointed Acting Superintendent of Insurance.

THE GROWTH OF INSURANCE ACTIVITY IN NEW BRUNSWICK.

(Due to nature of changes in records various time periods are reported for different items)

1. Licensed Insurers

One hundred eighty five (185) were licensed in 1938 compared to 306 in 1986. Little growth was seen between the years 1950 and 1970.

2. Agents

In the early years, "Other Than Life" agents out-numbered "Life" agents by a large margin. After those years the situation was reversed. "Life" and "Travel agents are still showing considerable increases while other categories have not changed significantly during the past several years.

	1938	1986
Life	489	1404
Other than life	665	897
Brokers	-	73

3. Life Insurance

Net premiums have risen from $6,483,966 in 1945 to $146,215,708 in 1986.

Losses have risen from $2,820,989 in 1945 to $63,415,472 in 1986.

The number of policies in force remained very stable for the years it was reported (1945 - 1972). The total face amount, however, rose from $236,200,619 in 1945 to $15,357,161,000 in 1986.

4. Fire Insurance

Net premiums have risen from $1,081,282 in 1945 to $105,333,989 in 1986.

Losses have risen from $1,200,618 in 1945 to $54,163,441 in 1986.

5. Automobile Insurance

Net premiums have risen from $434,416 in 1945 to $118,394,000 in 1986.

Losses have risen from $207,674 in 1945 to $100,155,236 in 1986.

6. Staff

The last change in the number of staff in the Insurance Branch is 1975, when the number went from 5 staff to 6. Since we know there were at least two staff members in 1937, the phenomenal growth in the size of the insurance industry has been matched by an equally impressive restraint on staff growth.

Le surintendant des assurances

au Nouveau-Brunswick

Un bref historique

La section judiciaire du Conseil Privé du Canada établit en 1932 qu'il appartenait aux provinces de réglementer l'industrie des assurances.

Mais le gouvernement fédéral, à qui cette tâche avait jusqu'alors incombé, répugnait à se départir de ce pouvoir.

Chaque année, le Parlement adoptait donc la Loi conférant certains pouvoirs au Lieutenant-gouverneur en conseil, qui déléguait aux provinces le pouvoir de réglementation, en attendant le règlement de la situation.

Enfin, le 29 avril 1937, la loi intitulée "Act Respecting Insurance Chapter 44" fut promulguée et proclamée au Nouveau-Brunswick.

Elle établissait le bureau du surintendant des assurances, ordonnait la présentation d'un rapport annuel au Ministre et stipulait que "un tel rapport peut, à la discrétion du Ministre, être imprimé et publié sitôt sa rédaction terminée".

Le premier rapport, qui a été présenté par le surintendant E. B. MacLatchy le 13 février 1939, rendait compte des affaires traitées en 1937. Un rapport a depuis été publié chaque année et celui de 1986-1987, qui couvre l'exercice 1986, est le cinquantième.

Fait intéressant à noter, le Nouveau-Brunswick a commencé d'évaluer ce que l'exploitation du bureau du surintendant des assurances coûtait à l'industrie dès la toute première année de l'existence de cet organisme. En cela, le Nouveau-Brunswick s'est d'ailleurs démarqué de toutes les autres provinces canadiennes.

Les surintendants des assurances et les surintendants adjoints de la province du Nouveau-Brunswick ont été jusqu'à ce jour :

1932 - R. P. Hartley, c.r., procureur général adjoint et surindendant des assurance

1935 - J. B. Dickson, surintendant des assurances intérimaire

1937 - Première année d'exploitation sous juridiction provinciale
E. B. MacLatchy est nommé surintendant des assurances
Mary Wilson est nommée surintendante adjointe

1964 - Leycester D'Arcy est nommé surintendant des assurances lors du départ en retraite de E. B. MacLatchy

1970 - Scott Harvey est nommé surintendant des assurances

1972 - Lors du départ en retraite de Mary Wilson, Paul Kierstead est nommé surintendant des assurances et Scott Harvey occupe le poste de surintendant adjoint

1980 - Lors du départ en retraite de Paul Kierstead, Thomas O. C. Makin est nommé surintendant des assurances

1981 - Lors de la démission de Scott Harvey, George Poirier est nommé surintendant adjoint

1986 - Lors du départ en retraite de T. O. C. Makin, Robert L. Scammell est nommé surintendant des assurances intérimaire.

LA CROISSANCE DE L'INDUSTRIE DES ASSURANCES AU NOUVEAU-BRUNSWICK

(En raison de la nature des modifications qui ont été apportées aux dossiers, les intervalles considérés diffèrent selon l'objet examiné).

1. Assureurs détenteurs d'une licence

   Cent quatre-vingt-cinq (185) assureurs détenaient une licence en 1938 comparativement à 306 en 1986. Soulignons que leur nombre n'a que peu augmenté entre 1950 et 1970.

2. Agents

   Les agents d'assurance sur la vie ne constituaient au début qu'une faible minorité par rapport aux autres catégories d'agents, mais cette situation s'est plus tard inversée. Aujourd'hui, les agents d'assurance sur la vie et leurs confrères de l'assurance-voyage voient toujours leur nombre s'accroître considérablement alors que le nombre d'agents des autres catégories d'assurance n'a pas augmenté de manière importante au cours des dernières années.

	1938	1986
Vie	489	1 404
Autres catégories	665	897
Courtiers	--	73

3. Assurance-vie

   Le total des primes pures est passé de 6 483 966 $ en 1945 à 146 215 708 $ en 1986.

Le total des pertes est passé de 2 820 989 $ en 1945 à 63 415 472 $ en 1986.

Le nombre des polices en vigueur est demeuré très stable entre 1945 et 1972, années où il a été enregistré. Le montant total du capital assuré est cependant passé de 236 200 619 $ en 1945 à 15 357 161 $ en 1986.

4. Assurance-incendie

Les primes pures se sont élevées de 1 081 282 $ en 1945 à 105 333 989 $ en 1986.

Les pertes sont passées de 1 200 618 $ en 1945 à 54 163 441 $ en 1986.

5. Assurance-automobile

Les primes pures sont élevées de 434 416 $ en 1945 à 118 394 000 $ en 1986.

Les pertes sont passées de 207 674 $ en 1945 à 100 155 236 $ en 1986.

6. Personnel

La dernière modification apportée à la composition du personnel de la Direction des assurances remonte à 1975, année où les effectifs sont passés de 5 à 6 personnes. Sachant que le personnel regroupait au moins deux personnes en 1937, nous constatons que la croissance phénoménale de la taille de l'industrie des assurances a été inversement accompagnée par une très faible croissance du personnel, qui est out aussi impressionnante.

NEW COMPANIES/NOUVELLE COMPAGNIES

Seven new insurers were licensed during 1986-87. (During the previous year there were four other than life new companies licensed).

Sept nouveaux assureurs ont reçu un permis en 1986-87. (L'année précédente, quatre assureurs avaient reçu un permis).

	COMPANY NAME NOM DE LA COMPAGNIE	CHIEF AGENT & ADDRESS/ AGENT PRINCIPAL ET ADRESSE
1.	Alpina Insurance Company Limited Other than Life/Autre que sur la vie	H. J. Saunders 188 University Avenue Toronto, Ontario M5H 3C3
2.	Canada Life Casualty Insurance Company Other than Life/Autre que sur la vie	D. A. Nield 330 University Avenue Toronto, Ontario M5G 1R8
3.	L'Industrielle Compagnie d'Assurances Generales Other than Life/Autre que sur la vie	Simon Dompierre 1080 Chemin St-Louis Sillery, Quebec G1K 7M3
4.	La Survivance, Compagnie Mutuelle d'Assurance Vie	Lucien Brosseau 2580 Ouest rue St-Pierre Ste-Hyacinthe, Quebec J2T 4R9
5.	Metropolitan Insurance Company Other than Life/Autre que sur la vie	J. Bentley Harrison 55 University Ave., Suite 400 Toronto, Ontario M5H 2H7
6.	Northern Life Assurance Company of Canada	John H. Walsh 1500 - 606 - 4th Street S.W. Calgary, Alberta T2P 1S9
7.	Progressive Casualty Insurance Company Other than Life/Autre que sur la vie	Barbara Czapran 255 Consumer Road, Suite 530 Willowdale, Ontario M2J 4R3

During 1986-87 five companies were discontinued and four licensees withdrew from the market, cancelling their licenses.

Durant l'exercice 1986-87, cinq compagnies ont cessé de faire affaire au Nouveau-Brunswick et quatre assureurs autorisés se sont retirés du marché, annulant leur licence.
